NEWS DEPARTMENT BULLETIN.'

1. In order to improve the quality of our World News broadcasts, announcers working the 5-6:30 shift are requested to follow the following procedure:
At 6:00 repair to the studios of WNHC and get their 5 o'clock news script. Bring it back to the station and give it to your relief for delivery on the air at 7.
2. Announcers doing the World News broadcasts are requested to give them adequate preparation.
3. Campus News will be given at 10:00 from now on. For the present members of the News Department will supervise getting the news items from the News and final editing of them for broadcasting.
4. The World News broadcast formerly given at 10 is temporarily cancelled.
5. Members who have worked in News in the dim or recent past or who would have some interest in helping out in the future are urged to say hello to the head of the Department who is learning names as fast as he can and spending as much time as he can at the station.

Rex Slauson.
